THEMES AND ACTIVITIES

Animals of BC, PETS

Winter has arrived. We have many exciting things planned for this month and we would like to share it with you. Children will be Introducing to amazing local animals and their habitats.

In this month your child learns to act out the movement and sounds of some animals, they also learn how to take care of Pets. They are getting familiar with different types of Cats, Dogs, Fish, and Birds. Your child also learns the Behaviours of pets and their ways of communicating. Children also learn how seasons change and how some animals hibernate.

Children learn Music and song related to animals and pets.
